FUNDRAISING!

Make it Personal

Finally, a fundraiser that won't rot your teeth! Raise funds for your school, charity, group or company with Stuck On You and start earning money to achieve your fundraising goals.

You'll receive a 20% commission on all orders that we receive via your unique URL and 5% on all promotional products ordered. You don't even need to be involved in distribution because all orders are shipped directly from our warehouse!

A Stuck On You fundraiser is easy to run, and it's a fantastic way to help out your fellow parents and carers. We've got a massive range of personalised products that can help families live a more organised life. From drink bottles, backpacks, lunchboxes and stationery to baby gifts and wooden puzzles. There's something for children (and grownups!) of all ages. Not to mention our enormous range of personalised name labels! We also have seasonal ranges based around Back To School, Easter, Christmas and School Camp that make it easy to promote your fundraiser.

Why fundraise with Stuck On You?

- Earn 20% commission and 5% commission on promotional stock
- It's simple to promote your fundraiser online and on social media using your unique URL and fundraiser code
- There's no mucking around with order forms - orders can be placed online or over the phone
- No distribution is required - all orders are shipped directly from our warehouse

How do I monitor my account?

- You can monitor the commission you're receiving via your online account
- Log in and view your options via your dashboard including orders made and commission history

How do I promote my fundraiser?

- You can download promotional materials from your account dashboard and extensive fundraising toolkit
- You can copy links for social media accounts and your unique URL on the 'Tools' tab and link directly to our site
- If you can't find what you need in the fundraising toolkit simply request bespoke DL flyers by calling our customer service team on 1800 645 849

How do I receive payments?

Cash payments can be requested for amounts over AU\$50. Head to your online account or email info@stuckonyou.biz. Payments will be made into eligible bank accounts or as a PayPal transfer and can be requested any month during the year.

How do I sign up?

Visit www.stuckonyou.com.au/fundraising or call us on 1800 645 849 and we'll get you started.

Fundraising FAQs

Q How do I sign up to be a fundraiser?

A Go to <https://www.stuckonyou.com.au/fundraising/register> and enter the details of your chosen school, organisation or group. Once submitted, your group will become active as a fundraiser and can start earning commission.

Q What do we earn for our group?

A All sales of regular priced items earn 20% commission^A.

Q How long does our fundraiser last?

A As long as you need! Our online option allows you to run your fundraiser for the whole year and carry it forward to following years if you want to make the most of your earnings.

Q Can all products on the website earn commission?

A Yes! All products across the Stuck on You range earn commission. That includes our labels, bags, drink bottles and lunch boxes and more, as well as our seasonal ranges (Christmas, Easter, Back to School etc).

Q What is the fundraiser code?

A A code is generated by you from your group name. It can be a shortened version of the name, or the initials of your group. It is best all in capitals with no spaces in between. For example, West Coast Primary School could be WESTCOASTPS or WCPS
This code must be entered into the Fundraising Code box on all purchases to ensure your fundraiser earns commission on that purchase.

Q What is the fundraising web address (URL) and how does it work?

A The fundraising web address (URL) gives families a link to your group's fundraising page. It uses the Stuck On You website and indicates you are fundraising for your group. For example,
www.stuckonyou.com.au/fundraising/WESTCOASTPS. You would copy and paste this link on all communications with families and group members. It will automatically add your fundraising code in the fundraising code box at the checkout.

Q How do we receive commissions?

A When fundraisers reach the minimum threshold of \$50, they can request a payout via the account dashboard. Commission is paid directly into a bank account or via PayPal to an approved account for that school, group or charity. Requests must be made by the fundraiser and will be paid 2 weeks after the month following the request.

Q If a customer doesn't use our code, can you add the commission in later?

A No, unfortunately commission cannot be added retrospectively to a fundraiser once the transaction has been made. That's why it is vital that you include your fundraiser code and fundraiser web address (URL) in all communications.

Q What marketing materials do you provide?

A We provide a range of digital files in your fundraising toolbox for use in the promotion of your fundraiser. These files include posters, flyers, social media images and more! In addition to these files, we are happy to print up to 250 x DL size flyers with your fundraising code on them, free of charge.

Q Can we get order forms and catalogues to hand out?

A Due to the large selection of designs, colours, fonts and styles available across our website, we don't offer an order form or catalogue. Our products are designed to be personalised, so we find each customer will select what they prefer best by using our website to place their order.

Q If we don't have enough money for a payout, what happens?

A Since the fundraiser is designed to be ongoing, you may wish to keep actively promoting your fundraiser to earn more commission. If you do want to end the fundraiser and the commission amount is under the threshold for payout, we can offer you a Stuck On You gift voucher(s) to the value of that final commission amount.

Q What happens if I forget the login?

A Contact us here at info@stuckonyou.biz and we can re-set your password.

Q How do we close down an account?

A Accounts can be closed by contacting us at info@stuckonyou.biz. Any commissions over \$50 can be paid out to an approved account; if under \$50 gift vouchers will be issued to the value of the commission balance.

Top Tips for Fundraising Success

Set an End Date

We find that when fundraisers set an end date, more orders are placed and your fundraiser can earn more money. We know how easy it is to forget things when you have a busy family, so a deadline keeps your fundraiser at the top of a busy parent's "To-Do List".

Go Green

Online shopping is becoming so popular, especially with busy parents. Why not promote your fundraiser online as well? Parents who see your fundraiser online are more likely to place their orders right away.

365 Opportunities

A Stuck on You® Fundraiser is ongoing and can be promoted several times a year for different occasions. Promote your fundraiser for Back To School, Christmas Gifts, Camp Essentials and more! Promote library bags during Book Week or run a drink bottle drive before summer. With our huge product range, the possibilities are endless.

Get Social

Why not use Social Media to promote your Fundraiser? Stuck on You can provide you with materials and tips that you can use to promote your fundraiser. Spread the word to get as many people as possible supporting your fundraiser. Orders are shipped directly to families, so anyone across the country can support your Fundraiser.

Welcome Packs

Make sure that you include information about your fundraiser in information packs that go out to new students. This is a great time to let families know about your fundraiser before they have ordered new school supplies.

Updates

Keep families updated about your fundraiser in via newsletter or emails. Let them know what your goal is (ie. purchasing 10 new library books, or no lost property handed in for one week) and keep them updated on your progress. This may remind people to place orders to support your fundraiser if they have forgotten.
