What year is my child eligible to commence Foundation?

Casey Grammar School has a minimum age requirement for Foundation. Students are required to turn 5 years of age by the end of February of the year in which they commence Foundation.

The year of entry guide will help you determine the calendar year your child is eligible to commence Foundation.

2020	2025	2026
2021	2026	2027
2022	2027	2028
2023	2028	2029

When should I submit an application?

Enrolment demands exceed the places available. We encourage prospective families to submit an Expression of Interest form (application) as soon as they know Casey Grammar is your school of choice. Expressions of Interest are accepted from birth.

Are applications considered for other year levels?

Enrolment is offered in other year levels when a current student leaves the school. Your application will be placed on a waiting list, and please be aware we cannot guarantee enrolment for your child; you will need to find an alternative option. If a vacancy does not become available in the requested year level, your child's name will roll across to each successive year's waiting list.

Does Casey Grammar School have enrolment priorities?

Applications are given preference to children of staff members, siblings of current students, children of past students, siblings of past students who completed their education at CGS, children from families whose values and beliefs align with the Christian ethos of the School, and all other students in order of application date.

How likely is it that my child will be offered a place?

We are not able to predict in advance if your child will be offered enrolment. Enrolment is subject to availability, assessment, a satisfactory interview, capacity to provide an appropriate program for the proposed student, and acceptance of the terms and conditions of enrolment.

Are waiting lists static?

The waiting lists at Casey Grammar School are not static: they change regularly as children are moved from one list to another, priority students join lists, and children's names roll up into the next year level.
