This semester has been a wonderful celebration of Trist spirit, from finishing second in the Swimming Carnival to showcasing outstanding talent in our Performing Arts House Talent Show. Well done to our team members who competed in both events and represented our House with pride. We have so many amazing swimmers and lots of ribbons and medals were won.

Congratulations to Beenu Fernando for placing first and Kaya Weston for placing second in the vocal category in the Performing Arts House Talent Show!

I'd like to congratulate our Year 5 students on their impressive leadership speeches, I am super proud of each and every one of you! You are all leaders in our eyes.

A heartfelt thank you to our House Captains, Wilson and Isabelle, for their dedication and enthusiasm throughout the year. We are grateful for your leadership.

After six wonderful, fun-filled years as your Head of House, I am stepping into a different role at C.G.S. Thank you for making House events and meetings so awesome. I'm delighted to introduce Miss Stephenson as the Head of House for 2026! An exciting new chapter for Trisit House awaits.
